Travel

Culmington Manor offers exceptional facilities within a 100 acre estate in an area of outstanding natural beauty in the South Shropshire countryside. Our superb estate is located close to the Welsh borders and nine miles from the historical town of Ludlow. The grounds consist of woodlands, fields, and gardens inhabited by an abundance of wildlife.

What do they do during the week?

During the week children try a variety of activities to build on their team-work and self-esteem, for example abseiling, archery, fencing, giant swing, problem solving, orienteering, survival skills and high ropes. Instructors lead all activities to ensure the highest standards in safety.

Sample Activity Programme
