PRIMARY SCHOOL

Accessibility Plan

Committee responsible for review	LGB
Agreed date	Autumn 2023
Review date	Autumn 2025

Accessibility Plan has been drawn up in consultation with the pupils, parents, staff and governors of the school and covers the period from September 2023 – September 2025

1. We are committed to providing a fully accessible environment which values and includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to challenging negative attitudes about disability and accessibility and to developing a culture of awareness, tolerance and inclusion.
2. Deansfield Primary School plans, over time, to increase the accessibility of provision for all pupils, staff and visitors to the school. The Accessibility Plan will contain relevant actions to:
 - Improve access to the **physical environment** of the school, adding specialist facilities as necessary. This covers improvements to the physical environment of the school and physical aids to access education.
 - Increase access to the **curriculum** for pupils with a disability, expanding the curriculum as necessary to ensure that pupils with a disability are as, equally, prepared for life as are the able-bodied pupils; (If a school fails to do this they are in breach of the DDA). This covers teaching and learning and the wider curriculum of the school such as participation in after-school clubs, leisure and cultural activities or school visits. It also covers the provision of specialist **aids and equipment**, which may assist these pupils in accessing the curriculum.
 - Improve the delivery of **written information** to pupils, staff, parents and visitors with disabilities. Examples might include handouts, timetables, textbooks and information about the school and school events. The information should be made available in various preferred formats within a reasonable time frame.
5. Attached are Action Plans, relating to these key aspects of accessibility. These plans will be reviewed and adjusted on a bi-annual basis. New Plans will be drawn up every three years.
6. We acknowledge that there is a need for ongoing awareness raising and training for staff and governors in the matter of disability discrimination and the need to inform attitudes on this matter.
7. The Accessibility Plan should be read in conjunction with the following policies, strategies and documents:
 - Health & Safety
 - Inclusion Policy
 - Equalities Action Plan
 - Relationships and Health Education Policy
 - Anti-Bullying Policy
8. The Action Plan for physical accessibility relates to the Access Audit of the School, which is undertaken regularly by the Local Authority. It may not be feasible to undertake some of the works during the life of this first Accessibility Plan and therefore some items will roll forward into subsequent plans. The audit will need to be revisited

prior to the end of each first three-year plan period in order to inform the development of the new Plan for the following period.

9. As curriculum policies are reviewed, a section relating to access will be added to that on Equality and Diversity. The terms of reference for all governors' committees will contain an item on "having regard to matters relating to Access".
10. The Plan will be monitored through the LGB Committee
11. The school will work in partnership with the local education authority in developing and implementing this plan and will adopt in principle the "Greenwich Accessibility Strategy, Access to Learning".
12. The Plan will be monitored by Ofsted as part of their inspection cycle.
13. The Plan will be reviewed bi-yearly
