

Dear Parents and Carers,

### **Year 6 WW2 Day – Tuesday 26<sup>th</sup> March**

We just wanted to make you aware of the date we have in place for World War 2 day, which will take place on **Tuesday 26<sup>th</sup> March**. We will be holding this very special event to support the history topic work children are undertaking in class.

- Children should come to school wearing clothes similar to those that children would have worn in the 1940's (Please see Google Images for further inspiration)
- All children should bring a packed lunch on the day, 1940's style if at all possible! Cheese, spam, jam, honey and marmite sandwiches would be great. We will supply paper bags and give to the children the day before
- Once they have come into school, children will line up to be 'evacuated' and be given their allocated names that were popular in 1940's
- Lessons will be given 1940's style by teachers dressed in 1940's fashion
- We will be listening out for Air Raid sirens and for the all clear too!
- Throughout the morning children will be preparing 1940's food for their VE Day tea party, which will be held in the afternoon session
- We will be able to have a limited number of parent helpers. If you are able help out during the day, please let us know by emailing DF Contact and we will make a list of volunteers. If we are lucky enough to have lots of volunteers then we will select names out of a hat nearer to the time. It would be great if volunteers could make an effort to join in the day by dressing in 1940's style.
- In addition, we are inviting 2 family members per child to join us for our VE Day celebrations which will begin at approximately 2.45 on the afternoon. This will be held in Dairsie Hall. Please confirm your attendance by emailing the office at DF Contact.

Many thanks for your support. If you have any queries, please don't hesitate to contact us.

Yours sincerely,

Mrs Posnett and Miss Powell

Year 6 teachers
