

# Community and Cultural Evening

**Thursday 21<sup>st</sup> November 2024**

**5.30 – 7pm**

## ***A celebration of our Deansfield Community with food, music and culture from around the world***

You are invited to join us in a celebration of You! - the people that make up our wonderful Deansfield Community. The celebration will consist of a variety of food, music and culture that makes us the community we cherish. This is our twelfth Community and Cultural evening, that marks the importance of bringing together our Deansfield community and learning about what makes us so unique.

Everyone attending will be asked to bring an international dish that is special to your family to share with others. Teachers will be contributing too! If anyone would like to showcase their dancing skills to perform a dance that celebrates their family's culture, please let Miss Allen know.

We would be grateful if you could bring a place card listing the ingredients in your dish, particularly dairy, gluten and fish.

We would like to take this opportunity to remind you that we are a nut free school.

**The event is open to everyone, and we would like to see lots of our families there. For health and safety reasons, we will have to limit ticket numbers to 100 so we will reserve places on a first come first served basis.**

If you would like to attend, please confirm via the MCAS app in the clubs section. This event is free to attend.
