Dear Parents and Carers,

We have updated our home school agreement. This lists our commitments to your child and the responsibilities of parents and children. Research has consistently shown that active parental interest makes a great deal of difference to how well children do at school. Parents can help more effectively if they know what the school is trying to achieve and what they can do to offer support. Please take the time to read through the agreement and share the pupil part with your child. We have shared this with staff and your child's teacher will be talking to them about it. Please read the updated Agreement here: [Home-School-Agreement-updated-Jan-2025](#).

Please complete the online form here: [Home-School-Agreement-Form](#).

We are continuing to focus on improving attendance at school as we know how essential good attendance is both for children academically and socially. We now have a form to complete should you wish to inform us of a planned absence from school. Please remember that we are not able to authorise any term time holidays and that you may receive a penalty notice if your child is absent from school because of a holiday. The link to the form is here: [Planned-absence-request-form](#).

Kind regards
