

Home Learning- How to use Google Classroom

Google classroom

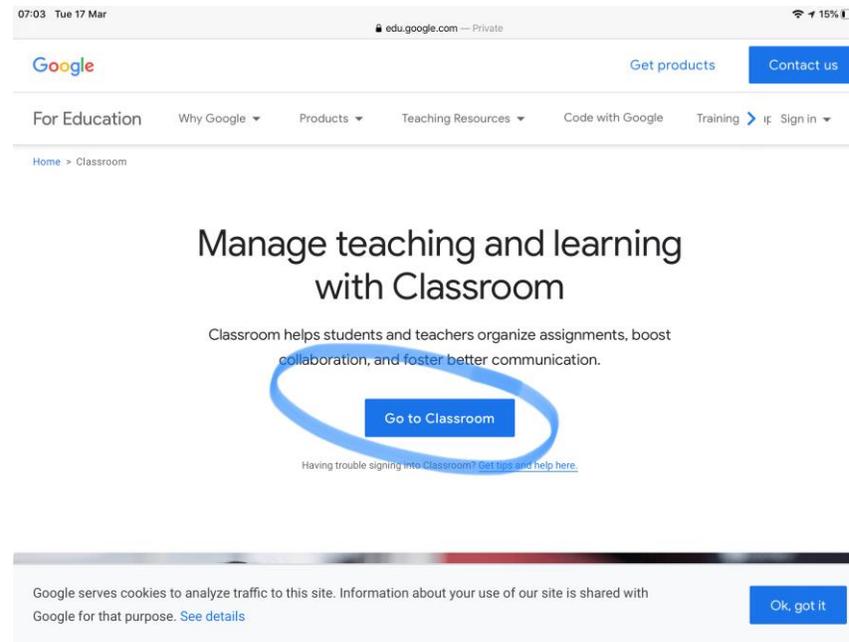

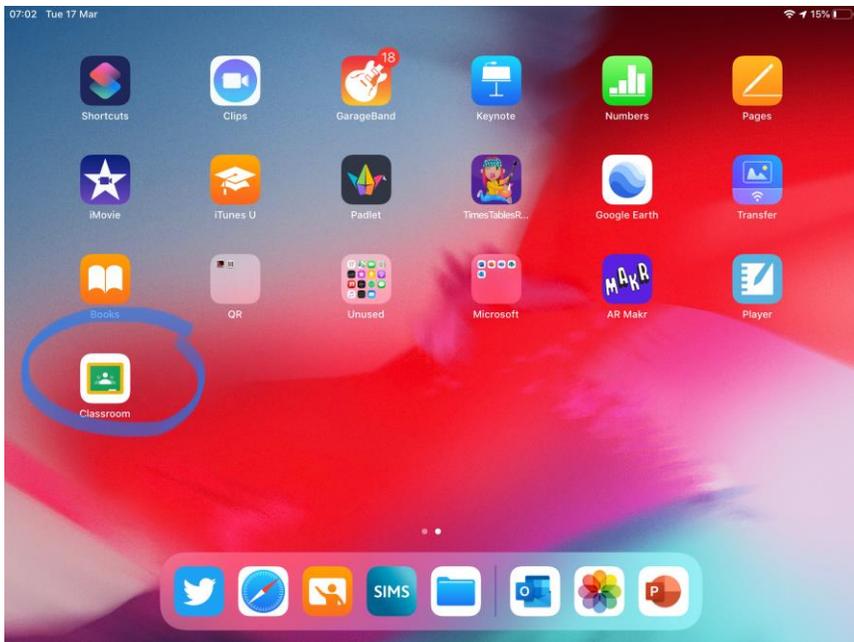

- ▶ Download the app on any Apple, Android or Google device
- ▶ Or go online to https://edu.google.com/products/classroom/?modal_active=none on any Internet browser
- ▶ Children to log in using the username and password provided

Google classroom

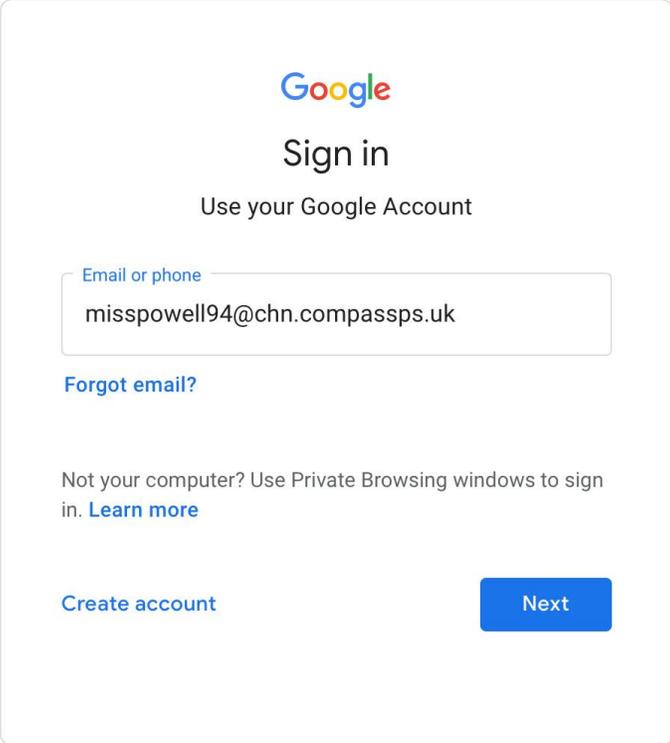

- ▶ **Please bear in mind** to access this brilliant resource, children have been given a working email address. They do not need to use this for any of the work we are setting but want to encourage parents to be aware of this feature
- ▶ They only have the ability email each other though- not the outside world and the outside world are not able to email them

1. Search for Google Classroom using the Internet browser or download the app on your device

2. Enter the username for your child and click next.

The screenshot shows the Google Sign in interface for a child account. At the top is the Google logo, followed by the text "Sign in" and "Use your Google Account". Below this is a text input field labeled "Email or phone" containing the email address "misspowell94@chn.compassps.uk". There is a link for "Forgot email?". Below the input field, there is a note: "Not your computer? Use Private Browsing windows to sign in. [Learn more](#)". At the bottom left is a link for "Create account", and at the bottom right is a blue button labeled "Next".

3. Now enter the relevant password and click next

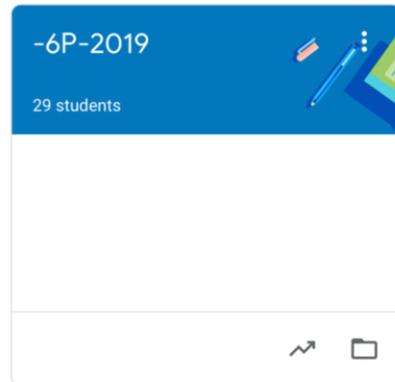

The image shows a screenshot of a Google login interface. At the top, the Google logo is displayed in its multi-colored font, followed by the word "Welcome" in a simple black font. Below this, there is a faint, light gray text input field. The main focus is a blue-outlined password input field with the placeholder text "Enter your password" and a small eye icon on the right side to toggle password visibility. Below the password field, there is a link for "Forgot password?" and a blue button labeled "Next".

4. This will take you to your class.
Click on the name of the class to enter

☰ Google Classroom

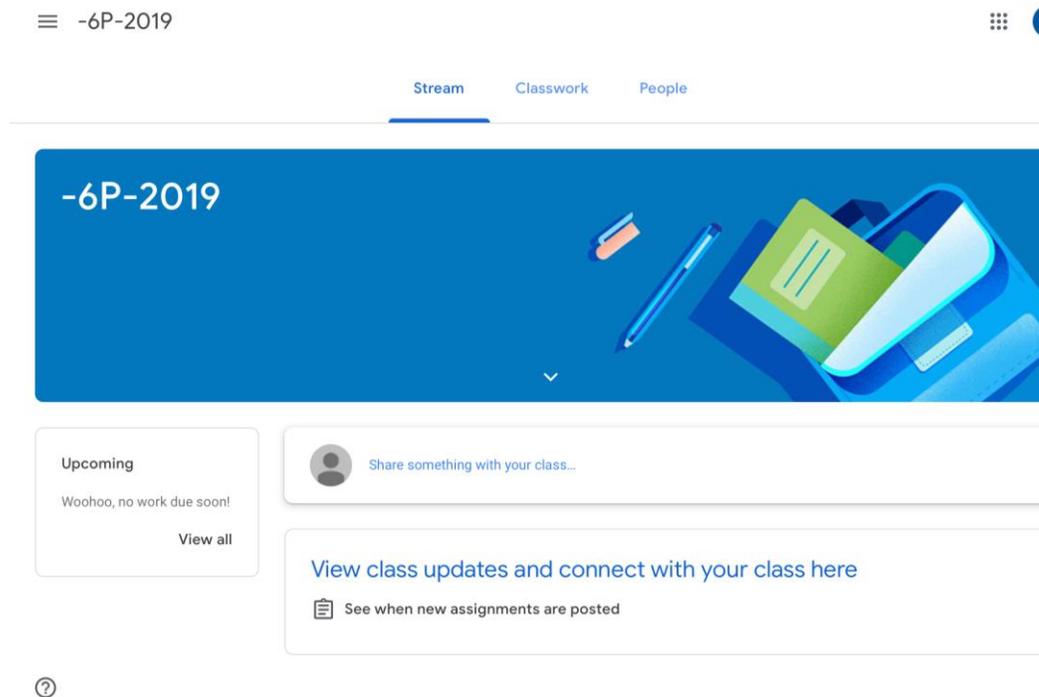

-6P-2019
29 students

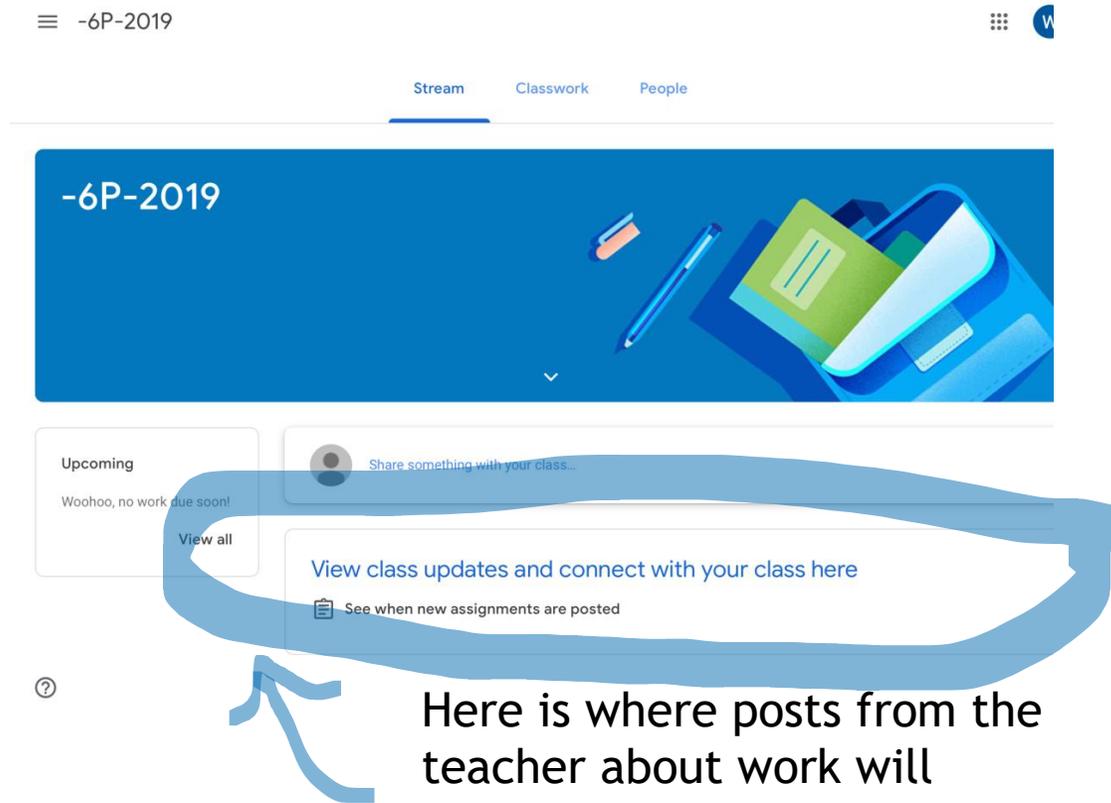

Classroom card for class -6P-2019 with 29 students. The card features a blue header with the class name and student count, a white body area, and a bottom bar with a line graph icon and a folder icon.

5. Here is where you will find information that the teacher has posted

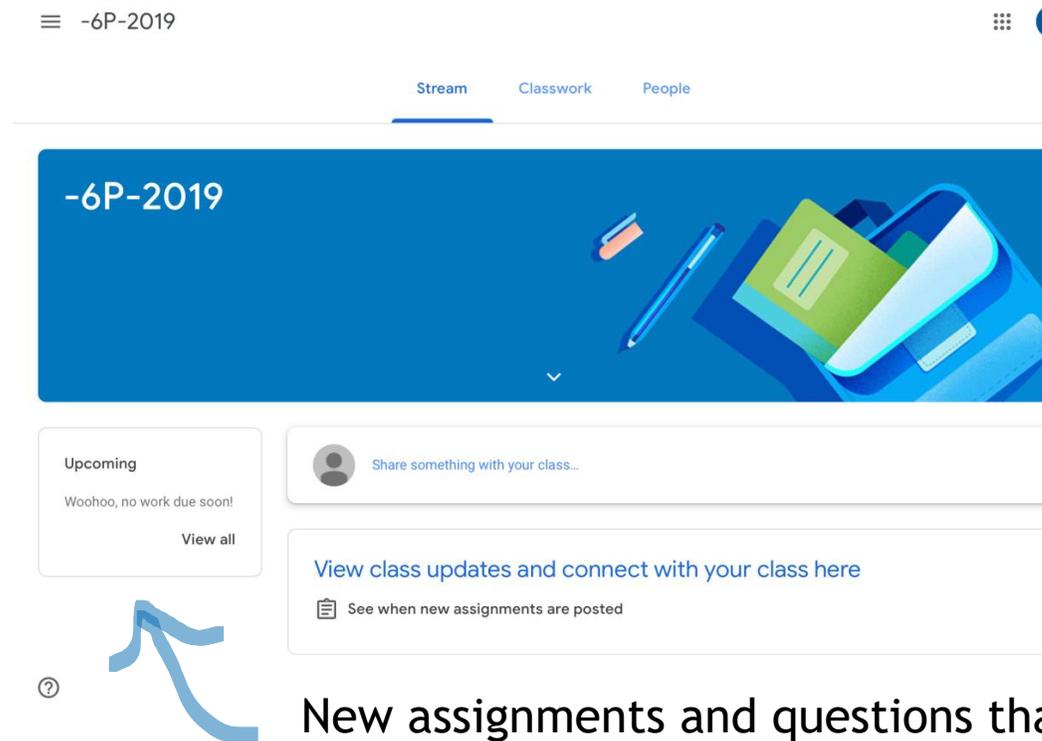

6. Check the stream circled below to see what the teacher has posted. This will be where messages might appear or notes about where to find assignments might be.

Here is where posts from the teacher about work will appear

7. Check upcoming work that children have been set through assignments here. Homework will be posted as assignments.

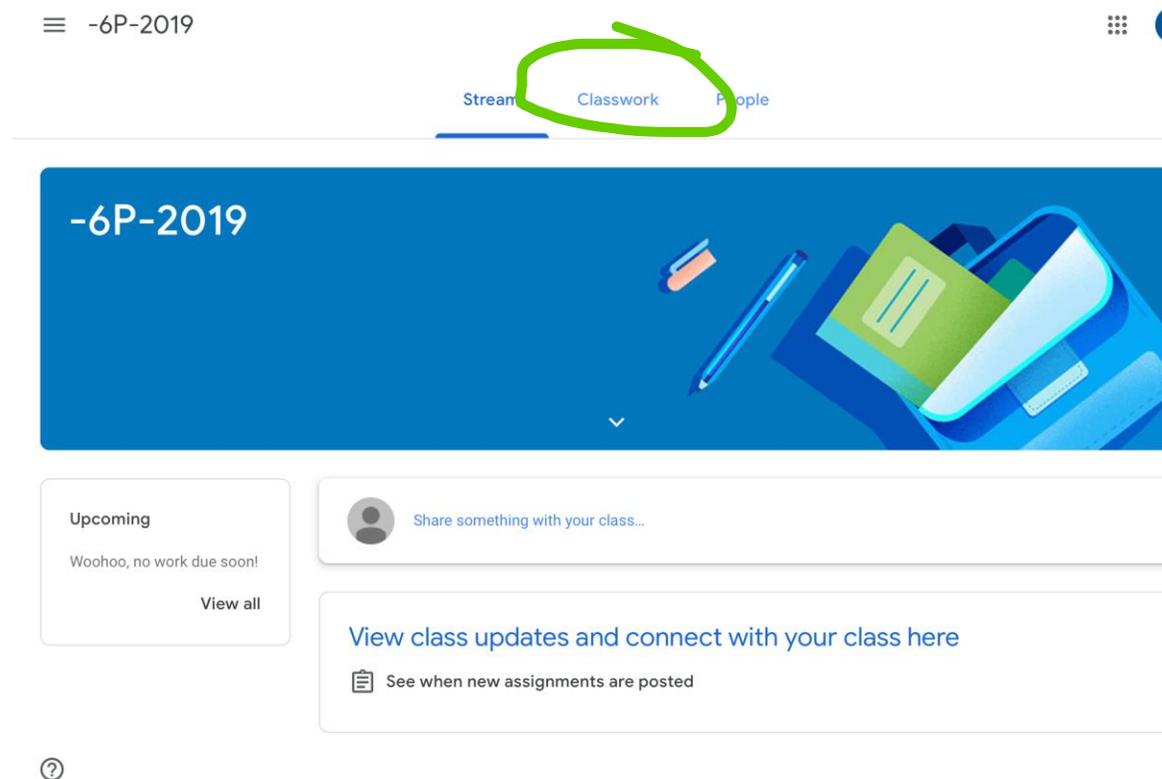

The screenshot shows a Microsoft Teams interface for a class named '-6P-2019'. At the top, there are navigation tabs for 'Stream', 'Classwork', and 'People'. Below the class name is a blue header banner with an illustration of school supplies. The main content area is divided into two columns. The left column has a section titled 'Upcoming' with the text 'Woohoo, no work due soon!' and a 'View all' link. A blue arrow points from this section towards the bottom right. The right column has a text input field 'Share something with your class...' and a link 'View class updates and connect with your class here' with a sub-link 'See when new assignments are posted'.

New assignments and questions that have been set will show here to let the child know that they are due

Classwork

Click on the tab / section that is labelled class work

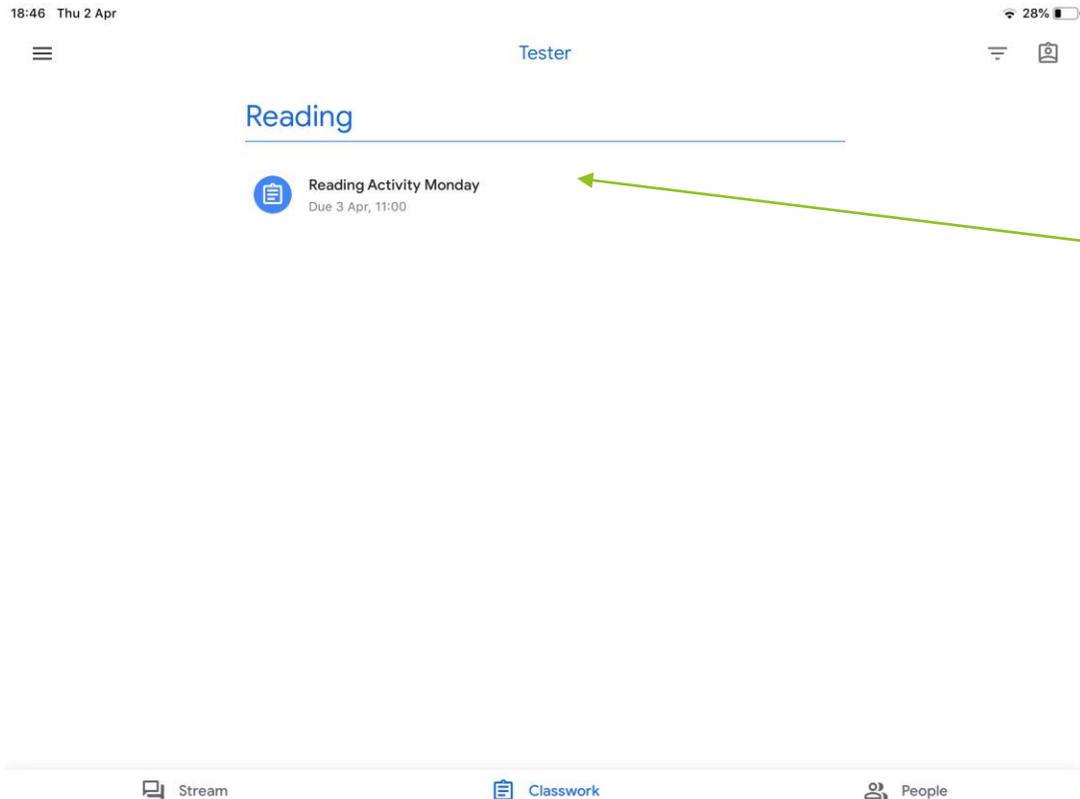

In the 'classwork' area is where you will find the tasks set by the teacher that require something handed back in and offer a chance to communicate with the teacher

Part 1: accessing assignments

First ensure you have clicked on the classwork tab to see what homework has been set

This is a new activity. You can tell it hasn't been completed because it is a blue icon and it will appear on your to do list

Click on the activity to see what is expected of the children

Reading Activity Monday

0 class comments

Please read through pages 27 and 28 of Chapter 2 of Cogheart attached. Look up any words you are unsure about and write down their definition in your books.

1. What is an 'indignity'? Why does Malkin consider it an indignity to be chased through the woods?
2. What is the weather like over these two pages? Use evidence from the text to explain your thoughts.
3. Draw a picture that you think best describes the scene being set on the first two pages of chapter 2

Adding private comments

- Here is where you can post a comment to the teacher about how the child has found their homework and anything you think is important for them to know
- Children can ask questions about what they have been set
- Teachers may not necessarily respond to these messages but they will be picked up in school and discussed with the children

Hi Miss, I am a little stuck on how to lay out question 3 could you please help me?

18:51
Teacher
Of course, what you need to do is think about the vocabulary used to describe the setting and then draw a picture of this image on paper

Add private comment

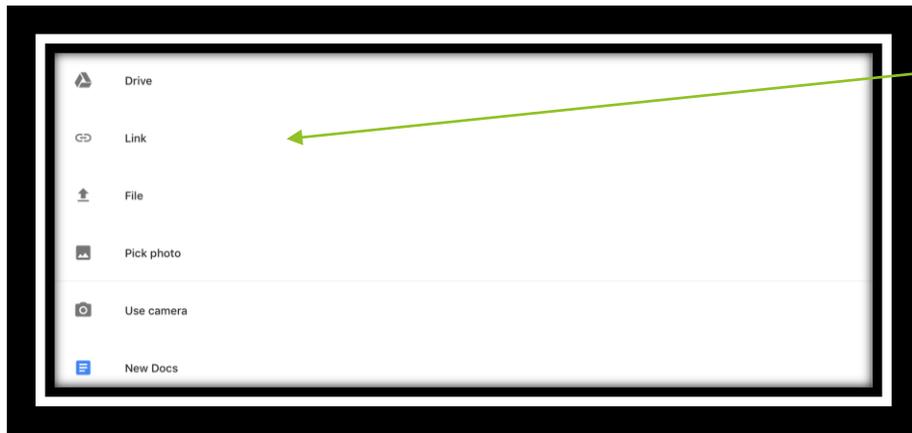

Click add attachment to upload your work for the teacher to see, if needed

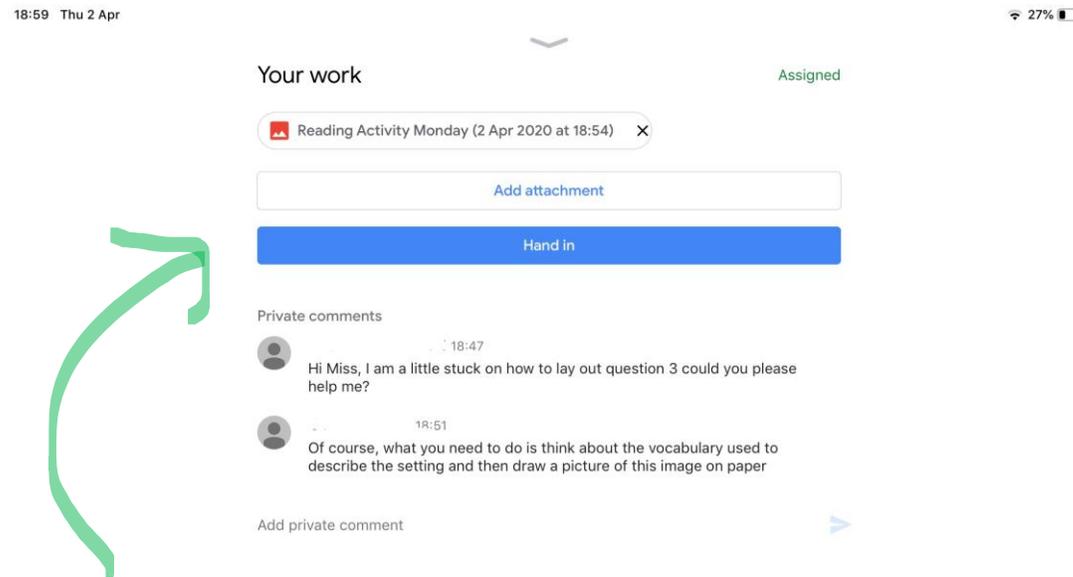

Uploading children's work

You can then choose which file type to upload.

- If you made a document using Google docs. Then use Google Drive
- If you want to show a link of where you found your information then click link
- If you have a file from word or PowerPoint etc use the file button
- If you want to upload a photo as evidence, click pick photo or use camera to take the picture as you upload it
- New docs allows you to create the work using google drive

Here is where your work will appear when you choose which file to upload

The screenshot shows a mobile application interface. At the top left, the time is 18:59 and the date is Thu 2 Apr. At the top right, the battery level is 27%. The main section is titled 'Your work' and is marked as 'Assigned'. Below this, there is a list of items, with the first one being 'Reading Activity Monday (2 Apr 2020 at 18:54)'. Underneath this list is a white button labeled 'Add attachment' and a prominent blue button labeled 'Hand in'. Below the 'Hand in' button is a 'Private comments' section. The first comment, from a user with a grey profile picture, says 'Hi Miss, I am a little stuck on how to lay out question 3 could you please help me?' and is timestamped 18:47. The second comment, from a user with a grey profile picture, says 'Of course, what you need to do is think about the vocabulary used to describe the setting and then draw a picture of this image on paper' and is timestamped 18:51. At the bottom of the comments section is a text input field labeled 'Add private comment' and a blue arrow icon pointing to the right. A large green arrow on the left side of the screenshot points from the bottom towards the 'Hand in' button.

When you are happy, click hand in to send it back to the teacher

Here is how it will look when you have handed it in
If you change your mind, you can click unsubmit
and reupload a different document

The icon turns grey when the activity is complete

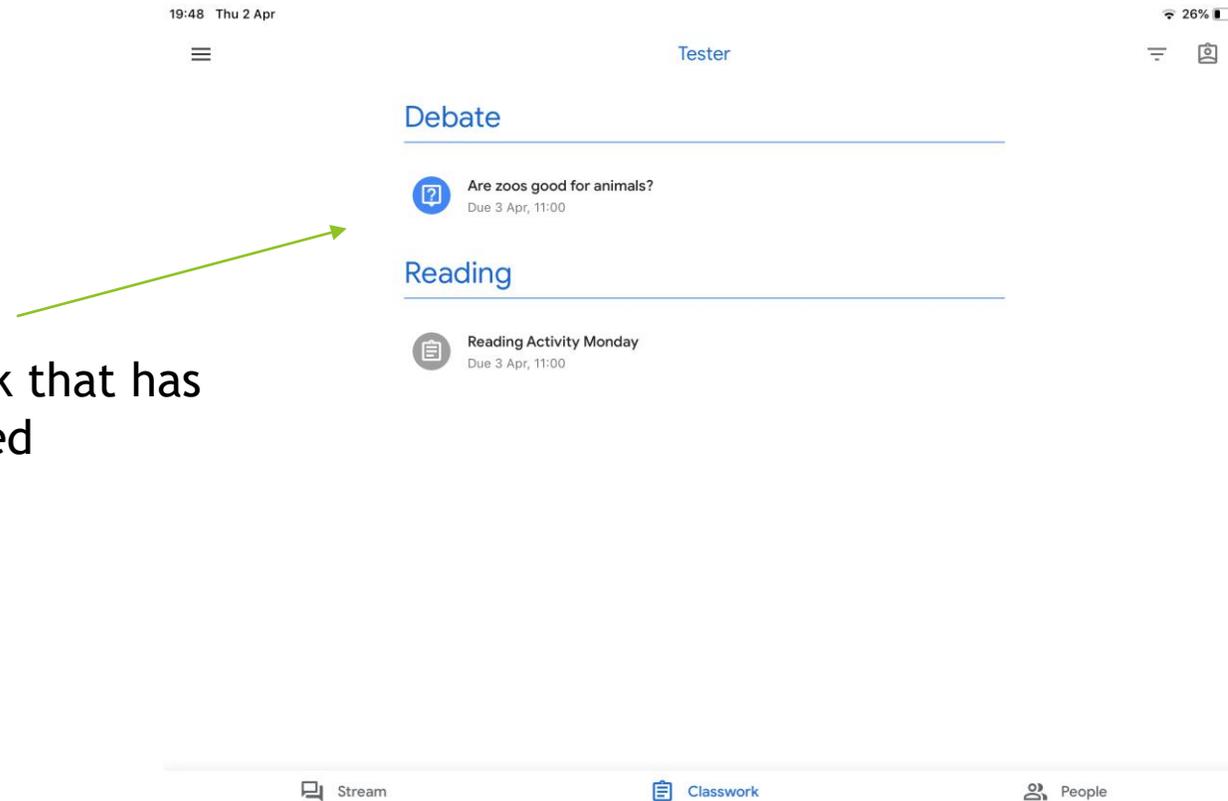

Assignment

- ▶ This piece of work is now done
- ▶ Children can go back and view this and can still post comments to the teacher if they decide there is something they want to go back to later

Part 2: answering questions

- ▶ Teachers may also set 'Questions'
- ▶ This is where they will pose a question which requires an answer from the children. This could be multiple choice or a short written answer dependent on the format of the question
- ▶ Children can comment to teachers in this area too

Ensure you are on the classwork section of google classroom to find the questions. This is in the same area as the assignments explored previously
