

School Jour

FEBRUARY 2027

Benefits of School Journey

School journey plays a vital role in encouraging team work and developing relationships

It develops self-confidence and self-esteem

Children experience new things

School journey is an experience of a lifetime that children never forget!

Where are we going? Year 6

**Manor Adventures- Norfolk Lakes Centre near
Norwich, Norfolk**

5 days, 4 nights

[Norfolk Lakes - Norfolk Residential School Trips UK](#)

Set within 65 acres of beautiful countryside in the heart of Norfolk, Norfolk Lakes is Manor Adventure's flagship centre for water sports. Just 11 miles from Norwich, it offers 37 acres of lakes for sailing, kayaking and paddleboarding, plus 25 acres of exciting land-based activities. With modern en suite accommodation available for up to 360 guests, purpose-built indoor facilities and expertly delivered programmes, it's the ideal choice for schools seeking a high-quality residential in a stunning setting designed for schools and delivered to the highest standards.

What do they do during the week?

During the week children try a variety of activities to build on their team-work and self-esteem, for example climbing, archery, fencing, axe throwing, problem solving, orienteering, survival skills, kayaking or canoeing and high ropes.

Instructors lead all activities to ensure the highest standards in safety.

Monday-Friday | Curriculum-Linked School Trips In The UK

What to expect:

Pupils complete up to 5 activities a day including one in the evening.

The children sleep in single sex rooms of 4/6 usually with ensuite facilities.

At mealtimes children have a choice of meal and all dietary requirements are catered for.
