Dear parents and carers,

We have had a lovely, if short, week here at Deansfield. The children have really settled into their new classrooms and school routines beautifully. It has been great seeing the clubs up and running again and watching the children enjoying the activities.

In assemblies we have been introducing our value of resilience in KS2. The children have thought about what the word means and ways in which they can and have demonstrated it. In KS1 we have been looking at kindness and how we show kindness in school.

Next week we will share as part of the newsletter the values and thinking we have been doing in assembly so that you can talk to the children at home about what they mean. We will also be sharing our focus on Equality and the Equalities Act and what we think about each week.

A big thank you to our new road volunteers. It is lovely to have new faces and we have been very grateful of the help. If anyone else would like to join the group, we would be very grateful to have them.

Lastly, we would like to remind people of making sure they name their children's uniform and coats. The lost property pile has already appeared and we know it must be very frustrating when

children come home without their jumpers. If they are clearly labelled it really helps us to get them back to their rightful owner quickly.

Finally a little reminder that if it is wet the KS2 packed lunch trolleys will be in the bottom part of the café.

Have a lovely weekend,

Mrs Daly and all the staff at Deansfield

**IMPORTANT INFORMATION FROM OXLEAS NHS TRUST REGARDING YOUR CHILD'S NASAL FLU VACCINATION**

September 22

Dear Parent/Guardian

As part of the National Childhood Vaccination schedule your son/daughter is being offered the nasal flu vaccination. This is being offered routinely to all children in special schools and children in primary and secondary schools in the Royal Borough of Greenwich.

The annual nasal flu vaccination protects your child against flu, which can be an unpleasant illness and in rare cases can sometimes cause serious complications. Also, through herd immunity, vaccinated children are less likely to pass the virus on to others, some of whom may be at great risk from flu. The childhood nasal flu vaccination protects against 4 different strains of the flu virus. The vaccination is given once yearly as a single spray up each nostril, which is painless, very quick and serious side effects are uncommon.

Please Use the QR Code or follow the link to complete the consent online at:  
<https://app.schoolscreener.com/Portal/#/Oxleas/imms/Oi41/143599>

If you experience difficulties accessing the eConsent system, please email [fluo@oxleas.nhs.uk](mailto:fluo@oxleas.nhs.uk) and they will be able to assist you.

To use the consent form, you will need to enter one of the following details for your child:  
- NHS Number or  
- Legal surname, their date of birth and postcode

If you decide you **do not** want to vaccinate your child against flu, You Must Decline using the eConsent Form. This will automatically remove your child from the flu programme, and we will not contact you further.

The vaccination session will be held at your child's school on Thursday 20th October 2022.  
**Please complete the online consent form by midday on Monday 17th October 2022.**

If you are not the young person's parent or legal guardian with full parental responsibility you will need to obtain **formal consent** from their parent or social worker who can legally consent, along with a legal document stating otherwise.

For further information please visit NHS choices website on: [www.nhs.uk/childflu](http://www.nhs.uk/childflu)

If your child is wheezy or has had their asthma medication increased after you have returned the consent form, please contact Oxleas Immunisation Team or your child's school before the day of the vaccination session.

## Friends of Deansfield Primary School (FODS)

### We're having a meeting!

Our AGM happens but once a year, as is the nature with these things; So it's not to be missed. We're super excited that we can hold it in person for the first time since 2019.

### Monday 10th October, 6-8 pm Deansfield Cafe (the school canteen).

It would be super helpful if all Class Reps attend please.

If you've volunteered in the past, have ever thought about it, are new to Deansfield and feel interested to know more please do come along.

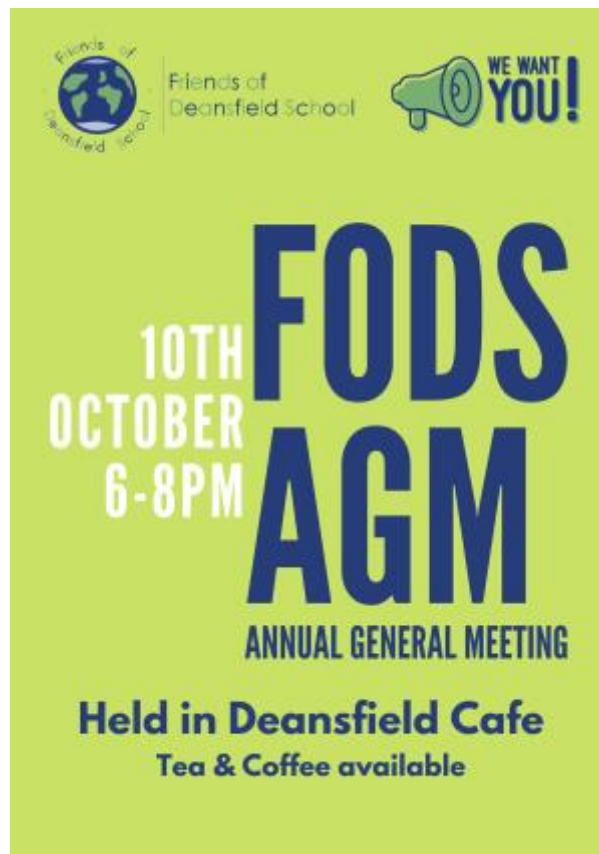

We're hoping that we can start by quickly looking at the roles that need filling, then vote in our new committee members. We'll then report on last year's activities, funds raised and donated before we go over plans for the rest of the Autumn term, including fun for Christmas!!

We're such a tiny group at the moment and to put it simply, we do need more people from our school community to join us, so that we can deliver things like School Discos, Fayres, Movie Nights...all the things the children love as part of their school calendar. The events we put on do of course also raise money that goes back into the school.

We're all working parents and offer up as much time as we can, with no pressure to commit to anything we can't do. We are *Friends of Deansfield School* and we certainly want it all to be very friendly and work for everyone.

If you are interested and would like to know more details, please see the additional information regarding each role, including Class Reps.

You're also welcome to get in touch via [friendsofdeansfieldschool@gmail.com](mailto:friendsofdeansfieldschool@gmail.com)<sup>2</sup>
